Here is a list of sources we used to implement this web application

1. Cite 1
    a. Details: Google API maps directions
    b. Cite: https://developers.google.com/maps/documentation/javascript/examples/directions-panel
    c. Files:
        i. static/js/map.js
        ii. templates/deliverme/home.html
        iii. Brian-changes branch folder: DeliverMe/mysite/Google API Maps-Brian
            1. Google API Maps
                a. Maps.html
                b. map.js
2. Cite 2
    a. Details: Google API maps geocoding
    b. Cite: https://developers.google.com/maps/documentation/javascript/geolocation
    c. Files:
        i. static/js/map.js
        ii. templates/deliverme/home.html
        iii. Brian-changes branch folder: DeliverMe/mysite/Google API Maps-Brian
            1. Google API Maps
                a. Map.js
                b. Maps.html
            2. Google Geocode
                a. index.html
3. Cite 3
    a. Details: Google API maps current location
    b. Cite: https://developers.google.com/maps/documentation/javascript/geolocation

- c. Files:
    - i. static/js/map.js
    - ii. templates/deliverme/home.html
    - iii. Brian-changes branch folder: DeliverMe/mysite/Google API Maps-Brian
4. Cite 4
   - a. Details: Google API maps additional tutorials
   - b. Cite:
     - i. https://www.youtube.com/watch?v=pRiQeo17u6c
     - ii. https://github.com/axios/axios
   - c. Files:
     - i. static/js/map.js
     - ii. templates/deliverme/home.html
     - iii. Brian-changes branch folder: DeliverMe/mysite/Google API Maps-Brian
       - 1. All folders
5. Cite 5
   - a. Details: Django built in chat
   - b. Cite: https://github.com/sharan01/django-ajax-chat
   - c. Files:
     - i. Views.py
     - ii. DeliverMe/mysite/djangoChat
6. Cite 6
   - a. Details: Django built in log in system
   - b. Cite:
     https://simpleisbetterthancomplex.com/tutorial/2016/06/27/how-to-use-djangos-built-in-login-system.html
   - c. Files:
     - i. DeliverMe/mysite/deliverme/templates/registration
       - 1. Login.html
       - 2. Signup.html
7. Cite 7
   - a. Details: Django tutorials
   - b. Cite:
     https://pythonprogramming.net/django-web-development-with-python-intro/
   - c. Files:
     - i. DeliverMe/mysite/manage.py
     - ii. Almost all python files from DeliverMe folder
